## (Virtually) Gluten-Free Menu

Updated November 17, 2023

Our kitchen contains many items made with gluten. Therefore **we cannot and do not guarantee that there will be zero gluten in your food.** At the Blind Tiger Brewery & Restaurant we try to accommodate dietary needs and restrictions. Almost everything on our menu we make from scratch in our kitchen. With our virtually gluten-free items listed below we try to keep gluten away from your food the best we can.
