The Blind Tiger Brewery & Restaurant is named for the Prohibition era custom of illegal drinking establishments displaying stuffed tigers or china tigers to alert potential patrons to the availability of illicit alcohol after hours. In southern dialect a "tiger" was a roaring party. These "tigers" were "blind" because the authorities, at least officially, did not know they existed.

Tiger-Que

We take pride in our Bar-be-que and never cut corners. Always Fresh-Smoked Daily with the goal of running out every day. Yes, like the old-time Bar-be-que joints we want to run out - that means all our Bar-be-que is fresh today. We don't use a freezer, or cooler, or microwave, and we don't smoke anything yesterday and heat it up today. We try hard to make the right amount each day and when we are out, we are out! Thank you for your patronage. - Jay
